Lisa Shelton, Superintendent/Principal

July 1, 2024

Dear Parents,

We hope you are enjoying your summer. There are a few things you need to be aware of before school starts in August. State funding for the Expanded Learning Opportunities Program (ELOP) has changed for Franklin School. Funding for the ELOP program has been reduced for the 2024-2025 school year. The reduction in funding has caused the program to run at a deficit as the district's costs are continuing to rise. In order to continue to staff the program appropriately and efficiently, we are needing to make some changes.

- Tuition fees for the 2024/2025 school year will be increased to \$95 a month for paid students, and \$0 for free and reduced students. This will go into effect August 1<sup>st</sup>.
- The program is offered for 30 additional non-instructional days each year (which are identified on our school calendar). Natalie has asked for sign-ups prior to these additional days in order to properly staff the program. We understand that sometimes plans change, however, if you sign-up for the program during the breaks, please send your child. Not showing up greatly effects our staffing and results in added costs.

We appreciate your understanding and cooperation with the rate increase. We put it off for as long as we could, but unfortunately it was unavoidable.

If you have any questions, please contact Jaicee VanDuzer or Natalie Guillory.

Thank you,

Lisa Shelton  
Superintendent/Principal
